

## El Paso

2005 Canadian Sport Horse Gelding - 17.0 hh

El Paso competed in the four year old Canadian Jumper Development series during the last part of the season. He currently jumps 1.10 m courses and has the potential to be a higher level jumper. He is also a prospect for the equitation ring. His dam, Viva's Carina, has received one of the highest mare inspection scores ever awarded by CWHBA.

El Paso's sire, Esprit D'Amour, competed successfully in the Open Jumpers under Erynn Ballard.
