**FROZEN SEMEN SALES AGREEMENT**

This agreement is made for the 2026 breeding season by and between W. Charlot Farms Limited (hereinafter "The Stallion Owner") and \_\_\_\_\_ (hereinafter "The Mare Owner"), for \_\_\_\_\_ (mare).

1.) The Stallion Owner hereby agrees to sell the Mare Owner frozen semen of the stallion Rio Grande

2.) The Mare Owner hereby agrees to pay the fee of

US \$ 1,000.00 per straw for a total of \_\_\_\_\_ straws and \$ \_\_\_\_\_.

One straw is one full insemination dose and all that is required for one breeding cycle. One straw contains approximately 1 billion sperm cells with at least 65% progressive motility after thawing.

3.) Semen will be shipped out of Yancey Farms in Fredericksburg, TX and mare owner will make shipping arrangements directly with Yancey Farms by calling Judy Yancey at 1-800-867-7021. Semen will be released once Stallion Owner has received payment for the semen.

4.) Mare Owner warrants that said Mare is in sound breeding condition as determined by a qualified veterinarian. Mare Owner agrees that Mare will be bred by Veterinarian with considerable experience in frozen semen artificial equine reproduction who has access to a veterinary ultrasound machine.

5.) Should said mare not be in foal after insemination with frozen semen, mare owner can "upgrade" to a life foal guarantee contract with fresh cooled semen of the stallion "Cabardino" at a fee of \$ 1000.00 (includes cost of first shipment and collection) upon receipt of veterinarian certificate confirming that mare has been inseminated with frozen semen of Rio Grande and is not in foal. Additional shipments of cooled semen of Cabardino will be made after receipt of: i) \$ 450.00 to cover collection and shipping costs and ii) receipt of veterinary certificate confirming that said mare was inseminated with cooled semen of Cabardino and is not in foal. All terms and conditions of the 2026 cooled semen sales agreement as posted on stallion owner's website will apply.

6.) This agreement is binding upon the parties herein and reflects the entirety of their agreement. Both parties acknowledge that there is NO life foal guarantee unless contract is upgraded as per paragraph 5 above and that stallion owner is NOT required to release additional straws of the stallion Rio Grande to the mare owner.
